Friday June 7, 2013
Registration opens at 8:00am
Conference 9:00am (sharp) – 4:30pm
Rutgers, The State University of New Jersey
Busch Campus Center, Piscataway, NJ

This free conference for behavioral health and EAP professionals will focus on a comprehensive approach to veteran's health that attends to physical, emotional, social, spiritual, and financial dimensions. Led by nationally recognized experts, the program will engage participants through keynote, panel and workshop sessions on best practices for helping returning combat veterans reconnect with work, family, and community. Participants will receive information on the best approaches to assessment and service provision and helpful knowledge and resources regarding when and how to refer.

Come prepared to discuss the unique strengths veterans bring, the challenges they face, and how you can play a role in delivering the best service to this growing population segment.
